\* this song was originally a St. Ide's Malt Liquor commercial  
it's appearance on promotional St. Ide's mixtapes caused  
public outcry, and both the tape and the commercial were pulled

[King Tee]

Now step up, to the King Tee's beer stand  
And let me know what beer is grand  
No no wait, I got somebody that might convince ya  
Hold up hold up wait

[Ice Cube]

Once again it's on, I'm goin out the front do'  
Ice Cube in the glass house, headed for the sto'  
To get a beer that's better than the rest  
The S-T-Period-I-D-E-to-the-S  
And it'll put hair on your chest  
In the black can, so won'tcha grab a six pack and  
Get your girl in the mood quicker  
Get your jimmy thicker, with St. Ide's Malt Liquor

[King Tee]

Hold up hold up  
So when you get a forty, roll to the spot  
Hug and kiss your girl and screw the cap off the top  
And get a taste of the beer that makes you tingle  
And just remember that jingle

[singers]

Here's something that sweepin the nation by surprise  
It's that fabulous malt liquor they call St. Ide's
