[Chorus]

Shine, shine, shine
Everyday when I'm rollin through the hood
Playas watch me cos they know I
"Shine, shine, shine"
Hey! I know I'm shinin, a fresh pair of whities and a
crispy T on
Love to hate me cos you know I'm gonna
"Shine, shine, shine"

[Female Singer]

Keep doin what you doin
It's ya time and its ya shine
I love the way you ride
I hope you shine
The party starts tonight
My friends are comin over
I really think you fly
Tonight's the night
"shine shine shine"

[Verse 1 - Snoop Dogg]

I shine like Neptune, Venus, and Mars in yo face in yo
state
In and out of cars, in a state, with a date with one of my
broads
But you gotta leave that bitch before she gets your dick
hard
Thats what shinin about and when you get the hoe
You can tear her linin out, what you whinin about?
You in the presence of pimpin, I'm walkin while limpin
And holdin on the drink that I'm sippin, I'm flippin the
script and
Im slidin while I'm dippin my whip in, out-of-traffic
Its so drastic, boombastic, this shits a hit, Jadakiss
matter fact nephew, this bitch is a classic
pass this ayo locy loc' let's blow some dope
better yet lets go for dough, hoe for hoe
I'm so fa sho, and so low and sensational
You know how I do it

[Chorus]

Shine, shine, shine

Everyday when I'm rollin thru the hood

Playas watch me cuz they know I

[Verse 2 - DJ Quik]

Now whats the haps on the bottle cap, I want a snow
bunny

"I'm Rick James bitch!" I got the show money

and I ain't hatin for nothin, but it be so funny

how cowards be wantin see me with my eyes and nose
runny

I got nouns and verbs while you got pounds of curbs

and one of us got a place if we around the burbs

I'm fittin like a lego block, you bullshittin while I'm sittin
in an eight-o-drop, these suckaz tell me "keep it
gangsta"

But they don't know, when they ain't lookin I be hearin
population control

Then I'm lookin for a breezy with a whole lotta soul

so I can have a malfunction in my wardrobe

SIP! not the Jada with the smith

It's the Jada with the fo' fifth, clutchin on the fifth

With Snoop be in the front and his jewelry shinin

all through his clothes and lil niggaz in the back on the
low...

but I still shine though!

[Chorus]

Shine, shine, shine

Everyday when I'm rollin thru the hood

Playas watch me cuz they know I

"Shine, shine, shine"

the punk
When I'm over there I'm on the low low with my unc
and all the bitches lookin for us
But I ain't lookin for puss, right now ma' I'm lookin for

And I'm strapped with the pound and house shoes,
Khakis, T shirts
Ah Uh ! Thats my surroundings, air force ones, jeans
City
lab a-fitted thats when I'm back in the town
Don't get it confused I'm proud to be gone
be home in a year with duffle bags out on the lawn
So much money my niggaz keep countin it wrong
So many hits I cant keep count of the songs
and we still grindin, stainless still nine
And y'all still hate but we still shinin lets go!
