I need to know that I am in your world  
That I am in your world baby  
And I gotta know that I am in your heart  
No matter where you are, wherever you go, oh baby  
I hear you saying that you love me  
I feel you touch me in the night  
But that don't mean that I mean something in your life  
baby  
Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know you're dreaming  
of me  
So hard to know, wish I could read your mind  
Wish I could read your mind and see in your heart  
Am I there, the way you're there with me  
You're everywhere with me, wherever I go, oh baby  
Before I give my world completely  
And lay my heart down on the line  
I need to know it's me you're needing in your life  
Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know you're dreaming  
of me  
I hear you saying that you love me  
I feel you touch me in the night  
But that don't mean that I mean something in your life  
baby baby baby  
Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream, I wanna know you're dreaming  
of me
