your trying to remember why you cut  
all your hair. Where you trying to be someone  
you weren't? You dont hand around  
the old haunts anymore, no, all of those  
bridges are burned. He doesnt like to  
share you - he likes your hair short.  
Your not you, you're not you anymore

So, take off that necklace he stole from  
his mother, it deosnt mean what it meant  
before. Pack your pictures and gather  
all your clothres, but leave that lingere  
that he bought you on the floor. It made  
you feel so awkward, you felt like a whore...  
you're not you, you're not you anymore.

Girl, you need to be patient - the days  
gonna come - you'll leave your old bagage  
behind. No more excuses, no more  
denial; you're tired and you're drawing  
the line. You're nobody's lapdog - you're  
closing that door. You're not you, you're  
not you anymore.
