[Chorus]

Let me take you for a ride
We can do
Just what you like.
I want you seated by my side.
Let me take you for a ride.

[Verse]

Hey cutie, what's your name?
You're all alone
And it's a shame, it's a shame
What's wrong- you look so sad
I got a plan to take your blues away
Take them all away.

[Bridge]

Don't you think it's time
For you to be good to you.
So come along with me and RIDE
Cuz everything's gonna be all right. So.....

[Chorus]

[Verse]

So baby Take my hand
You gotta know - That I will understand
Baby, I'm your man
Just put your trust in me
Relax and don't you try
To shy away, girl
Let's fly away.

[Bridge]

[Chorus]

[Breakdown]

Where do you wanna go
What do you wanna see
It's all up to you.
Come take a ride with Joe.

Be who you wanna be
And your dreams'll come true.

[Chorus x3]
