So I said my secret...
Hear you crying
Sorry Jenny...
I wish I lying
There is nothing here for me to say...
To keep you from dying
You get these visions in your head
Of me and someone else, in my bed
But the truth of the matter is, I only see you

So keep your distance
I'll only tell you that I miss this
There is no one that can take your place
Girl I really mean it
There is no one that can take your place

And as I lie here all alone
I want to be in your arms so badly
And yeah, you know I'm done
And forever in love with you

As I lie here all alone
I want to be in your arms so badly
And yeah, you know I'm done
And forever in love with you

I didn't want to pull the trigger
And as my secret left my finger
Cut loose and I really wish I had an excuse
'cause you and I know it's all about time now
My eyes have never been dry
And this mistake I know is hard to take
But the truth is the only thing that I can save

And as I lie here all alone
I want to be in your arms so badly
And yeah, you know I'm done
And forever in love with you

As I lie here all alone
I want to be in your arms so badly
And yeah, you know I'm done

And forever in love with you

You said I hurt you...
May be true
But it's the last thing...
I wanted to do to you
Can't you see what it's doing to me
As I lie here all alone
I want to be in your arms so badly
'cause I'm forever in love with you.

As I lie here all alone
I want to be in your arms so badly
And yeah, you know I'm done
And forever in love with you

As I lie here all alone
(I can't take, I can't take it with you)
I want to be in your arms so badly
(I can't take, I can't take it with you)
And yeah, you know I'm done
(I can't take, I can't take it with you)
And forever in love with you
I'm forever in love with you
