Sweat , a double dose of this triplethreat

Yep , more wet white star in the glass

Here's a toast to the fool who let you slip in with no
pass

All night sess , you can jump and a-test

When we through par-laying

You dig what i'm saying ?

You look good girl

But you'd look better if you was with me

Get in where you fit in

Let's do this V-I-P

(Keith Sweat) (Snoop Dogg)

Look a here shorty

You really got it going on You really got it going on

I like the way you move it girl

Sitting in a V-I-P Holla at me , holla at me

You really need to get with me , c-mon

< uhh , yeah come and get it girl , wh-what>

Chrystal blowing , blowing

Body still glowing , still glowing

Eyes looking everywhere , but i still have to stop and
stare

Cause you're looking real good to me , so good

Sitting in the V-I-P Holla at me , holla at me

You really need to get with me What's happening baby

Ohh yeah baby

(chorus)

So come and get with me , come get with me babe
I got what you need , got what you need girl

(Keith Sweat) (Snoop Dogg)

Pulling out in the lane
They will , don't they ? Mmm , mmm
Now look body down
Where we can fool around
Still i wanna peel you off
Make love all night long Like dat
You looking real good to me , good to me You know

So what's happening
See the night is young Yeh
Girl let's have some fun
Just wanna lay you down Yeh
Make the world go round
I wanna get with you , don't you ? Tell me what you
wanna do
Yeh , yeh , yeh , yeh
Tell me what you wanna do What you wanna do , huh ?

(chorus 1)

(Snoop Dogg)

Now , i've seen alot of girls
But none like you
You red , boned and thick , got it going on , ooh
She in the next room
I slid by the rest room
And all i heard was Zoom , Zoom , Zoom
I see ya peeking
But you ain't speaking
Put your drink down , think now , stop tweaking
A once in a lifetime experience
Come get with me , it'll be luxurious , i'm serious
And curious
To find out what turns you on
I'm Snoop Doggy Dogg
With the doggy bone

Hanging with Keith Sweat in his V-I-P section
Trying to give you more than the average affection
Type of mood , that i'll close the doors when it's going
down
You never thought that Keith Sweat would hook up with
the Dogg Pound
Gangsta's finest
Take time to listen , come get with me
Cause we on a mission

(chorus 2) (Snoop Dogg)
Yeah , yeah
D-P-G
Yo , yo
What's happening baby ?
Come over here to the
V-I-P section
Ohh , don't worry about
a pass , we gone get
ya in
To all night sess
Chilling with the D-P-G
Doing it V-I-P
That's real
Don't worry 'bout them
niggas baby
You rolling with the dog
Holla at a player (7x)
Yeah
D-P-G
Come get with me
Get with me
Yeah , Keith Sweat
