and these niggaz dont want it when its time 2 creep

[E White]

they get shot down too  
I'm all set now I'm ready for round 2

[RBX]

and red neck cops be racial profilin

[E White]

cuz most of the niggaz I know is banged out

[RBX - chorus 2x]

[E White]

I'm outta dodge cuz I ain't tryna see no deal

[RBX]

cuz they tryna give a nigga 25 years

[E White]

I know you some hoes we can lay with  
that know about this type of life and won't say shit  
so what it sound like to you

she said that her homeboys knew you

[RBX]

I ride him for his dough  
and he really hate me cuz I fucked his main ho  
on some R.Kelly shit freaky deaky

[RBX - chorus 2x]

[RBX]  
the industry is just like gang bangin  
to pull this rap-crap ya got to stay strapped  
and it all about wut side you choose  
X, OG, DPGC  
remember me, 7 executions  
remeber me, I have no remorse

remember me, I'm high powered  
do you remember, and I still drop bombs

[E White]

I keep a gun in the ceiling I call it my hi-tek  
step with a weapon dressed in all black  
stressed and all that scared to stay still  
prepared that what I'm up against is way real  
and though I feel like chillin I'm up all nite  
watchin and hopin its alrite  
so I hit the lights and I jump in the sack  
and get set 4 the next lick or sumthin like that

[RBX - chorus 2x]
