When your hand, I squeeze it tight
I'm putting my trust in you
If you take your time and love me right
There ain't nothing that I won't do

Take me higher and higher
Baby, let's have a ball
(Let's have a ball)
Take me higher and higher
Don't you let me fall

[CHORUS]

Don't drop my love
Don't drop my love
Baby, handle me with care
(Handle me, handle me)
Don't drop my love
Don't drop my love
I'll follow you anywhere
(Anywhere you want now, baby)

Heaven knows you're good for me
So I'm letting myself go
In your arms is where I wanna be
Come on and hold me close

Take me higher and higher
Baby, let's have a ball
(Let's have a ball)
Take me higher and higher
Baby, don't let me fall

[Repeat CHORUS 2x]

Take me higher and higher
Baby, let's have a ball
(Let's have a ball)
Take me higher and higher
Don't you let me fall

[Repeat CHORUS 2x]

[Repeat CHORUS 2]

Don't you drop
Don't drop my love
Baby, baby, don't drop it
Baby, baby, now don't you drop it

[Repeat CHORUS 2 3x]

[Repeat CHORUS]

Now don't you drop
Now don't you drop

[Repeat CHORUS 2 5x]

[Repeat CHORUS 2x]
