Come one, come all, close your eyes and let the show
begin
Inside, my mind, just another turnstile to my sin
The gaze, amaze, you're gonna lose yourself with
every step
Unmask, the past, a night of fright that you will not
forget

So step right up for the ride of your life
Go! Go! Go! Go!
And answer the question in the back of your mind
Go! Go! Go! Go!

Why can't you see, I can't believe
This is the circus in my head

Despise, the lies, step into my world to be deceived
Disgust, the trust, the horror must be seen to make
believe
I feed, my greed, you will never, ever understand
Obscene, I dream, take a chance and hold my, hold my
hand
