I thought I heard you laugh yesterday (oh oh oh oh),  
i thought I heard you scream,  
felt like pain, like pain, like pain , like pain,

like pain,  
like pain,  
like pain,  
like pain,

like pain,  
like pain,  
like pain,  
like pain,  
like...

oh oh oh oh,  
oh oh oh oh,  
oh oh oh oh,  
oh oh ohÂ...

i thought I heard you laugh yesterday (oh oh oh oh),  
i thought I heard you scream,  
felt like pain, like pain, like pain , like pain,

like pain,  
like pain,  
like pain,  
like pain,

like pain,  
like pain,  
like pain,  
like pain,  
like...

I came with nothing I'll be leaving without it too,  
I came with something I'll be giving it all to you,  
I came with nothing I'll be leaving without it too,  
I came with something I'll be giving it all to you,  
to you,  
to you,  
to you,
