I am siam oh hear me roar  
i am siam and nothing's gonna colour me  
i am siam oh hear me roar  
i am and nothing's gonna colour me...  
i am siam oh hear me roar  
i am siam and nothing's gonna be for free  
i am siam oh hear me roar  
i am and nothing's and nothing's gonna be for free...  
oh no, and no one's gonna colour me... ah oh...  
in the garden we'll watch  
soldiers dance not breathing  
poisen arrows hit hearts  
bleeding gums no teathing  
you a thorn in my side  
we walk so elequantly  
like a pond no a grave  
purple hearts become trees...  
i am siam oh hear me roar  
i am siam and nothing's gonna colour me  
i am siam oh hear me roar  
i am and nothing's gonna colour me...  
oh oh and nothings gonna be for free,  
oh oh and no one's gonna colour me...
