Ew...

no you can't say nuthin'

ew...

no you won't say nothing,

i was hanging around,  
you was hanging around,  
we was hanging a-round,

you was lookin' around,  
you was peerin' around,  
i was sneaking a-round,

you was muckin' around,  
we was hangin' around,  
we was kickin' a-round,

you was watching me drown,  
yoy was kickin' around,  
i was down, down, down..

ew...

no you can't say nuthin'

ew...

no you won't say nothing,

ah...

no you can't say nuthin'

ah...

no you won't say nothing,

you've got,  
little people,  
hey! you want it,  
hey! you got it,

you've got (you've got),  
little people,  
hey! you want it,  
hey! you got it,

it's not real,  
can't last forever,

don't be leaving,  
my heart's teething,

you've got (you've got),  
little people,  
hey! you want it,  
hey! you got it,

down, down, down,  
let's go,  
down together,  
down, down, down,  
let's go,  
down together,

ew...  
no you can't say nuthin'  
ew...  
no you won't say nothing,  
ah...  
no you can't say nuthin'  
ah...  
no you can't say nothing,

you've got,  
little people,  
hey! you want it,  
hey! you got it,

you've got,  
little people,  
hey! you want it,  
hey! you got it,

it's not real,  
can't last forever,  
don't be leaving,  
my heart's teething,

you've got (you've got),  
little people,  
hey! you want it,  
hey! you got it,

do do do...

wha who...

why why why why you such a wonderer?  
why why why why you such a lonely child?

wha who...

do do do...
