Rock, rock, rock, said the boys on top,
and how'd you miss them? how'd you miss them?

rock, rock, rock, said the boys on top,
and how'd you miss them? how'd you miss them?

nothing...
nothing, yeah, oh,
nothing...
nothing, yeah, oh,

ew, ay,
wo-oh, nothing for you,
yeah, yeah,
wo-oh, nothing for you,

yeah, yeah, wo-oh, nothing for you,
yeah yeah, wo-oh, nothing for you,

rock, rock, rock, said the boys on top
and how'd you miss them?
how did you miss them?
