Sweet dreams, when I'm tired,
Sweet dreams, when I'm alone.
All that I have sleeps beside me.

I feel, less important.
I feel, like only you know.
All that you bring is a weakness.

If it's a part of you.
If it's a part of me.
If it's a part of you.
If it's a part of me.
If my gold is blinding I won't wear it in the sun.
I can't compete.

Don't make me feel like
You-oo-oo-oo-oo-oo [x2]
Don't make me feel like
You-oo-oo-oo-oo-oo [x2]

Sweet dreams, when I'm tired,
Sweet dreams, when I'm alone.
Rest from the curse you've afflicted.

Our hell, it's so heavy,
Our hell, like only I know.
Every day ends where it started.

If it's a part of you.
If it's a part of me.
If it's a part of you.
If it's a part of me.
If my gold is blinding I won't wear it in the sun.
I can't compete.

Don't make me feel like
You-oo-oo-oo-oo-oo [x2]
Don't make me feel like
You-oo-oo-oo-oo-oo [x2]
(Like you, like you)

Don't make me feel like
Like you, like you.

Don't make me feel like
(Don't make me feel like you, don't make me feel like
you)
Like you, like you.
(Like you, like me. Like me, like me)

Don't make me feel like
(Don't make me feel like you, don't make me feel like
you)
Like you, like you.
(Like you, like me. Like me, like me)
