"Turn Me On"

It all started long ago,
We have staples deep they go,
To a pasture vivid green,
To a slow moving stream.

I will have you justify,
Drawing on your baby teeth,
Swing me lightly start my fire,
I will roar.

Wrap yourself around me,
Do it just define me,
Do it to ignite me,
Do it as a friend.
Any way you want to,
Any way you need to,
I can hold my breath,
Turn me on, turn me on.
Turn me on, turn me on.

Crawl inside your ancient eyes,
Feel your power it's a gift,
Swing me gently light my fire,
I will grow.

Wrap yourself around me,
Do it, justify me,
Do it to ignite me,
Do it as a friend.
Anyway you want to,
Anyway you need to,
I can skew it backwards,
Turn me on, turn me on.

Turn me on...
