-I'm alive

Verse 1:

I'm trying hard to loose control  
My heart grows darker than my soul  
Do you remember who I used to I?

I can hear a voice thats calling out  
To save me from this pain

Chorus:

I'm alive!  
I'm living in the underworld  
My life is an open wound - that you leave bleeding  
Save me now!  
I'm drowning in the underworld  
If I can't break away - I'm lost forever

Verse 2:

I always asked the question why  
I hear the answer was a lie  
Will someone notice if the heavens collide

There's a feeling deep inside of me  
That I can't understand

Chorus:

I'm alive!  
I'm living in the underworld  
My life is an open wound - that you leave bleeding  
Save me now!  
I'm drowning in the underworld  
If I can't break away - I'm lost forevermore

SOLO

Repeat chorus
