Let me dive in
To pools of sin
Wet black leather on my skin
Show me the floor
Lay down the law
I need to taste you more

Then I feel you're sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime

When you take me
And make me cry
Then I feel you satisfy
Show me the cage
It's all the rage
And lock it up

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime

Once in a lifetime(x3)

Giving you my soul
Letting you control
Took away a part of my lifetime
Memories of you
Left me black and blue
Now I know you're once in a lifetime

Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door

As I need you more
You know you're my once in a lifetime

Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime
