Burning fire  
A light in the dark  
Shining day and night for me  
Flowing water  
The source of life  
Covering the world in blue  
Gentle air blowing  
Caressing my face  
Carry me into dreams of love

The endless symphony...

Wasn't it you  
Who was filling my dreams  
The second element

Everywhere you are rife

Wasn't it you  
Who was filling the streams  
The second element

With the power of life

Creeks are winding  
Just seeking their way  
Hardly tryin' to reach the sea  
Raindrops falling  
From the skies to the earth  
Bringing life to you and me  
Lakes of silence  
A magical sound  
Keeping secrets in the ground

A perfect harmony...

Wasn't it you  
Who was filling my dreams  
The second element

Everywhere you are rife

Wasn't it you  
Who was filling the streams  
The second element

With the power of life

Wasn't it you, who was filling my dreams  
Wasn't it you, who was filling the streams  
Wasn't it you, who was breaking the light  
Wasn't it you...?
