"Still Dreaming"

So this is it, I'm still dreaming and that's how it fuckin'
should be.
Now I'm just waiting for someone to say exactly what
I'm ready for,
Exactly what I'm dying for.
How much can one man take before he must do
everything himself?
I'm done waiting for the day, when everything is how
it's supposed to be.
And I know deep down inside, when I fuckin' try, I'll get
what I want.
This is what I want.
This is your waking up. Why has this taken so long?
This is your waking up. Where has all your time gone?
I wish we had more time.
I'm fucking done with waiting, for things to change.
(Time for change).
