What is this? Call it a rap hit  
With a different positioning of the snare and a kick  
Dance, nobody won't arrest you  
Unless you feel it ain't nothin' special  
I thin it's best you -- get started  
I'm on the mic when the beat goes retarded  
And it's gettin' dumb quite mental

A movie fan don't fear or fret  
I got all the new flicks on videocassette  
My drive is strong  
Maybe some music might turn the steam on  
You like games baby, let's pretend

We're man and wife and the kids left for the weekend  
Step to the fridge for munchies  
I'
