With nothin' to say
I slapped my doggy
And it ran away
Ooo yeah, yeah, yeah, ooo yeah, yeah, yeah
Well, I looked all over town,
Oh yeah!
But my doggy was nowhere to be found
I finally found him on a country way,
But sadly ... it had passed away
Ooo yeah, yeah, yeah, ooo yeah, yeah, yeah
Well, I cried and I cried and I cry, cry, cried
I got the blues
Oh yeah,
I got the dead doggy blues,
Yeah, yeah
The really dark blues
Oh yeah!
Well, I took the body home,
Oh yeah
And buried it next to its favourite bone!
Well, I prayed and I prayed and I pray, pray prayed.
'Cause i got the dead doggy blu-u-ues!
