Woo that's a full rainbow... all the way
Double rainbow, Oh my God, double rainbow
It's a double rainbow all the way, dam
It's a double rainbow all the way, dam, oh my god
What does this mean, it's so bright, it's so vivid
Double rainbow, Double rainbow it's so intense
What does this mean?
It's starting to look like a triple-rainbow
That's a whole rainbow there Â– ahhhhhhh
Double rainbow all the way 'cross the sky, yeah,
yeaaaah, it's so intense
Double rainbow all the way 'cross the sky, wow, wow oh
my god
Look at that rainbow
Double complete rainbow oh my god
To watch oh my god it's full of awe I can't even capture
it on my camera
Double rainbow all the way across the sky, yeah,
yeaaaah, it's so intense
Double rainbow all the way across the sky, wow, wow oh
my god
Look at that rainbow
Whoooooo, whoooooo that is the badest I've ever seen

Chorus:

Double rainbow all the way across the sky, yeah,
yeaaaah, it's so intense
Double rainbow all the way across the sky, wow, wow oh
my god look at that rainbow
