Welcome to the New York Gubernatorial Debate. Iâ€™m
be your DJ this evening. Take it away.
I represent â€œThe Rent is Too Damn Highâ€ Party.
People working 8 hours a day, 40 hours a week -
Some a third job â€“ why?
The rent is too damn high!
The people Iâ€™m here to represent
canâ€™t afford to pay their rent.
â€˜Cause rent is too damn high!
The people being laid off right now
canâ€™t eat breakfast, lunch, or dinner!
Only a governor, like a father of a house
can put everything in control.
The bottom line is, the economic state of emergency
is the way to go!
To go, go, go, go!
This will reduce the cost, you cut the rent down
you cut the taxes down!
To give business owners a chance to hire people!
To give business owners a chance to hire people!
That is it, nothing else to be said!
End of subject, thereâ€™s nothing else to talk about.
Some say, Iâ€™m a one issue candidate.
But it all boils down to one thing!
What? RENT!

Is too damn high!
The people Iâ€™m here to represent
canâ€™t afford to pay their rent.
â€˜Cause rent is too damn high!
The people being laid off right now
canâ€™t eat breakfast, lunch, or dinner!
Only a governor, like a father of a house
can put everything in control.
The bottom line is, the economic state of emergency
is the way to go, The way to go!
To go, go, go, go!
Rent is too damn high!
The rent is too damn high. (too damn high!)
Rent is too DAMN high!
The rent is too damn high. (too damn high!)
Too damn high, too damn high, too damn high!

Rent is too DAMN high!
The rent is too damn high.
Closing statement!
As a karate expert,
I will not talk about anyone up here.
Listen!
Someone's child's stomach just growled.
Did you hear it? Did you hear it?
Gotta listen like me.
Because our children can't afford to live anywhere.
Once again, why?
You said it - -
The rent is too damn high!
Mr. McMillan, what's your position on gay-shoe
marriage?
Rent Too Damn High Party if you want to marry a shoe,
I'll marry her.
