When i was broke as a joke perople used to hate on me,

Now im more i dont need your money

Only imma be alright, be alright, be alright
Only ima be alright, be alright

Back in the day shorty wouldnt qet paid, Now its hard for me to keep shorty away

But imma be alright, be alright, be alright Shorty ima be alright, be alright

forever younq, No explaniations
Bitch blew me till i had a destination
Im comin up niqqah, Whats the ocupation
Talk to you simpel,
Never lost in translation

No need to wait cause i will show up late, Sold out seats to hear me artucalate GREAT

Niqqah its faith, I am where i need to be, I do it great, All lean at their seats to me my mother never imaginged What her Words meen to me. If shes down, She call meh

She knows she can lean on me.

Living this life how id dream it to be Living this life how i dream it to be

When i was broke as a joke perople used to hate on me.

Now im more i dont need your money

When i was broke as a joke perople used to hate on me,

Now im more i dont need your money

Only imma be alright, be alright, be alright

Only ima be alright, be alright, be alright

Back in the day shorty wouldnt qet paid, Now its hard for me to keep shorty away

But imma be alright, be alright, be alright Shorty ima be alright, be alright

Ima be alright dont worry bout me
That means my niqqa does dirt without me..
I made my decision, Now im on a mission
There are alot of kids out there,
I want them to listen
COOI
As long as ma familys straight

As long as ma familys straight
If there hurting i will kill without the bate
This is a harsh game
Niggers trowing dirt on my name
Take whats yours
I hope my kids grow up to think the same

I take the blam for what went down last night Dont worry bout me Imma be alright

If i cant catch a break I will be shooting to night So relax dog I dont wanna go back dont make me go back

When i was broke as a joke perople used to hate on me,

Now im more i dont need your money

Only imma be alright, be alright, be alright Only ima be alright, be alright

Back in the day shorty wouldnt qet paid, Now its hard for me to keep shorty away

But imma be alright, be alright, be alright Shorty ima be alright, be alright

now i dont know what you heard bout me, from the bottim to the top were coming up

now i dont know what you heard bout me, from the bottim to the top were coming up

now i dont know what you heard bout me, from the bottim to the top were coming up

now i dont know what you heard bout me, from the bottim to the top were coming up

now i dont know what you heard bout me, from the bottim to the top were coming up
