Watch my back, and ill watch yours too  
I see'em comin, comin for you  
watch'em go,  
you'll be cryin like cackolin' hound  
keep it down, keep your cool  
dont loose your head, keep it smooth

ive seen stranger days  
and ive seen stranger ways  
now i seen it all before  
fallin down on the evenin' high  
when the indian drowns you here  
can you follow an upright deer  
stay away from defyin' me girlfriend  
take your picture and hold it near  
now its time you let it go  
so fuckin hard in the hole

dead baby lyin in your hands  
i never wish this, for any man  
happened, a minute ago  
she'll be ok, let'er go  
and if at time ill come a knee  
common down, watch my baby  
keep it down, keep your cool  
dont lift your head, keep it smooth

ive seen stranger days  
and ive seen stranger ways  
now i seen it all before  
fallin down on the evenin' high  
when the indian drowns you here  
can you follow an upright deer  
stay away from defyin' me girlfriend  
take your picture and hold it near  
now its time you let it go  
so fuckin hard in the hole

now i seen it all before  
fallin down on the evenin' high  
when the indian drowns you here

can you follow an upright deer  
stay away from defyin' me girlfriend  
take your picture and hold it near  
now its time you let it go  
so fuckin hard in the hole
