You say your pets make on the stock trades
And your mother said
OH WHAT HAPPENED? when you came home
You got peuted and puked and abuseded
'cause we beat you in a Lexter Hubert
Head goes under our foot like shoedirt
We saw your girlfriend and do it in her blue skirt
We make your car on the street like backward
We kick you harder than washington packers
So, please take a letter for a punch to the face
Nothing could be better than a punch to the face
You not very good like Puff Doggie and Lace
So take off your socks and jump off of the race
Have another punch to you face
GO TELL YOUR MOTHER YOU GOT PUNCHED IN DA
FACE!!
