Stop it!
(Body, body, oh body)
Stop it!
(Body, body, oh body)
Stop it!
Bring it on up, bring it on up

Got the feelin' I'm goin' insane
Am I dreaming? Is it night or is it day?
Such a sweet thing, makes me wanna say, yeah
Get on up, bring up our music someday

Yeah
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just wanna get closer to you)
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just bring it harder to me)
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just wanna get closer to you)
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just bring it harder to me)

Stop it!
Only you, can make me do you, baby
Anyway you want me to
Only you, can shake me, make me
Cry like a baby!

Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just wanna get closer to you)
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just bring it harder to me)
Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just wanna get closer to you)

Stop it, stop it
Don't try and make me stop it and go run away
(I just gotta have it, just bring it harder to me)
