

Hero Next Door, A "Run"

We've been here for a long time, and I never thought I'd
see
The day that you would cross me, are we truly meant to
be
Are you coming back?
Or are you gone for good?
I wish you'd come back like you always used to

Cast the line
Reel me in
Is this what you wanted
Cast the line
Reel me in
Is this what you wanted

So honey, don't ignore me while I stand alone and
whine
Admit to your involvement, and look me straight in the
eye

Are you looking out for your own best interests,
Knowing all along that you'd leave me here?

Cast the line
Reel me in
Is this what you wanted
Cast the line
Reel me in
Is this what you wanted

You double-crossed me all the way
Do you expect me to say
It's alright, dear, I'm ok
Is this what you wanted?
Run
Run
Run
Run
