[Verse:]

You'll stay... This way
For as long as we let you
Walk all over and play the victim
Pretend you learned your lesson
'Til you did it again

You'll stay! You'll stay! You'll stay the same!
Then you did it again
You'll stay! You'll stay! You'll stay this way!

We'll pave... The way
For our abuse like the
Dirty looks and the colder shoulders
Never wanting to know
They're just a means to an end

We know! We know! We know this game!
They're just a means to an end
We know! We know! We know you'll never change!

[Chorus:]

We won't give up, We won't give up
We wanna know the answers
We won't give up, We won't give up
What do we do this for?
We won't give up, We won't give up
'Til we find the reasons why we took the time
But probably then we'll never give a shit again
