"Reasons Why"

Visit "[Reasons Why](#)" on MotoLyrics.com

I've found another reason for you to live,
It's all the things you give and give.
Cause when you put it out like that my friend
It comes back again.
But I can't understand why you'd want to leave us here
without your smile
And I know things for you have been bad, I know you're
sad

But you can't loose sight of the reasons why.
You've found another game to play,
Can't say I've ever felt the same, no way
But you've got to take control,
Your heart suffers and you victim your soul
I hate to see you in pain
Your eyes are watering again and again
And all of these feelings are really not what you're
needing

But you can't loose sight of the reasons why.
So please don't loose sight of the reasons why.
