If you didn't look, you won't know  
Outside it's not 4 a.m.  
Those trucks won't be there  
Around, around again

But it is alright  
It was just a night  
And another way to turn your back  
Your back to me

Hearts with love like water  
Hearts with love that goes  
If you're gonna turn  
Turn back to me

Eyes that sigh in my sleep  
Naked and black on the floor  
You should cooperate  
When I need love some more

But it is alright  
Ever since the night  
And another way to turn your back  
Your back on me

Hearts with lonely sounds like  
Hearts with love that beats me so  
If you're gonna go  
Don't look at me

Hearts like lovely burning fields  
Love that goes  
If you're gonna go  
Don't look at me

But it is alright  
Ever since the night  
And another way to turn your back  
Your back to me

Hearts with lonely sounds like  
Hearts with love that goes

If you're gonna go  
Don't look at me

Hearts like lovely burning  
Hearts with love that goes  
If you're gonna go  
Go back on me

Hearts like lovely burning  
Hearts with love that beats me so  
If you're gonna turn  
Turn back, back, back, back on me

Hearts  
If you're gonna turn  
Turn back, back, back, back on me  
Hearts
