Kim was in the air force
He dropped fire from the air

He grabbed his heater
Sitting in his hand, he gave it to them
And put 'em in the foreign sand
He was one hell of a man

Kim dropped fire on the people
Fire on their face and hands

He had their families
Their mothers and their kids
He said he'd head 'em
And that's just what he did

Everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

Kim was in St. Louis
At the Missouri Inn Hotel

He gave it to them
That heater in his hand
He put it to them
In the Texas sand
He was one hell of a man, yeah

Everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

And everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

Kim was at the airport
And the faces stared at him

He grabbed that heater
Was burning in his hand

He gave it to them, buried in concrete

Everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

Everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

And everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say

And everybody loved my cousin Kim
Everybody loved my cousin Kim
Everybody loved my cousin Kim, they say
