I only want to stand up, move on
Stand up and know I'm redeemed
I only want to stand up, move on
Stand up and know I'm redeemed
One last time
Is one more lie
That I tell myself
As I'm giving in
I can feel the shame
From these broken claims
God forgive me
For pushing you aside
Speak to me now
Bring me home
Speak to me now
I only want to stand up, move on
Stand up and know I'm redeemed
I only want to stand up, move on
Stand up and know I'm redeemed
One last try

Is all I've got
Left inside of me
Without you by my side
I have tried in vain
To hold fast my claims
God forgive me
For pushing you aside
I only want to stand up, move on
Stand up and know I'm redeemed
I only want to stand up, move on
Stand up and know I'm redeemed
Sweet redeemer
Sweet redeemer
Speak to me
Speak to me
Sweet redeemer
I only want to stand up, move on
Stand up and know I'm redeemed
I only want to stand up, move on
Stand up and know I'm redeemed

I only want to stand up, move on
Stand up and know I'm redeemed
