Woah, woah, hey!  
Woah, woah, hey!

A double Goose, splash of Sprite  
Keep 'em coming cause we're goin' all night  
Forgot to mention, all the extension  
Damn! Woo! Oh, the single life!

Gotta get a ticket for the lottery  
Cause this kinda sh\*t don't happen to me  
Forgot to mention the two chicks frenchin'  
Damn! Woo! Oh, the single life!

But I don't wanna wake up 'til tomorrow  
Cause all that glitters ain't gold

So tonight I'm gonna party like the day before I met you  
And act like you loving him ain't killing me  
Yeah tonight I'm gonna party and drink 'til I forget you  
So cheers to you for leaving me solo.  
Oh, the single life!

Woah, woah, hey!  
Oh, the single life!  
Woah, woah, hey!  
Oh, the single life!

Barely a six, but tonight she's a ten  
(?) cause she's bringing a friend  
Forgot to mention the sexual tension  
Damn! Woo! Oh, the single life!

Gotta get a ticket for the lottery  
Cause this kinda sh\*t don't happen to me  
Forgot to mention the two chicks frenchin'  
Damn! Woo! Oh, the single life!

But I don't wanna wake up 'til tomorrow  
Cause all that glitters ain't gold

So tonight I'm gonna party like the day before I met you

And act like you loving him ain't killing me  
Yeah tonight I'm gonna party and drink 'til I forget you  
So cheers to you for leaving me solo.  
Oh, the single life!

Woah, woah, hey!  
Oh, the single life!  
Woah, woah, hey!  
Oh, the single life!

So shine the spotlight  
Cause I'm putting on the best show of my life  
Behind the smile, I'm slowly dyin'  
Oh oh oh oh oh oh oh, the single life!

So tonight I'm gonna party like the day before I met you  
And act like you loving him ain't killing me  
Yeah tonight I'm gonna party and drink 'til I forget you  
So cheers to you for leaving me solo.  
Oh, the single life!  
[x2]

Oh, the single life!  
Woah, woah, hey!  
Oh, the single life!
