Went to see my baby,  
Said he had an awful cough  
Went to see my baby,  
He said he had an awful cough  
He almost caught pneumonia,  
Cause he boogied with his black drawers off

In the park, in the dark  
The mockingbird he sings so soft  
In the park, in the dark  
The mockingbird he sings so soft  
It make it oh so easy  
To boogie with your black drawers off

- solos -

Turn on the lights, pour a corn,  
Keep the music smooth and soft  
Turn on the lights, pour a corn,  
Keep the music smooth and soft  
You don't need the fire department  
If you boogie with your black drawers off

(everybody joins in this chorus, led by Snooky Young:)

Don't cha boogie, don't cha boogie, don't cha boogie  
with your black drawers off  
Don't cha boogie, don't cha boogie, don't cha boogie  
with your black drawers off
