Babe, you don't have to go  
Babe, babe, baby, you don't have to go  
I'm gonna pack my suitcase, down the road I go

Baby, try me one more time  
Baby, try me one more time  
You know I just can't make it without that sweet man of mine

Well I ain't never loved three men in my life  
I ain't never loved three men in my life  
That's my father, my brother, and the man who ruined my life-  
man who ruined my life

So babe, you don't have to go  
Babe, babe, baby, you don't have to go  
Oh, I wanna pack my suitcase, down the road I go  
Oh babe...
