Oh, winters here with all the ice and snow
and the surly slush upon road
the salty spray upon my window
makes me wish i replaced my wiperblades

my whipper whipper whipper baldes
my whipper whipper whipper baldes
my whipper whipper whipper baldes
i wish that i replaces my wiperblades

salty spary from semi's that you pass
they turn my windsheld into bathroom glass
i turn the knob but come to the conclusion
that i did not fill up my washer solution

my whipper whipper whipper fluid
my whipper whipper whipper fluid
my whipper whipper whipper fluid
i wish that i replaces my wiper-fluid

my whipper whipper whipper baldes
my whipper whipper whipper baldes
my whipper whipper whipper baldes
i wish that i replaces my wiperblades

down the express way 80 m.p.h.
i can make out headlights, daylights, frosted shapes
but down by the dash is a very well place to scrap
i can see fine if i lay on the passenger seat

my whipper whipper whipper baldes
my whipper whipper whipper baldes
my whipper whipper whipper baldes
i wish that i replaces my wiperblades

my whipper whipper whipper baldes
my whipper whipper whipper baldes
(one tiem on delay)
my whipper...
wiper...
wiperblades

i wish that i replaces my wiperblades
