One last try. Unfinished promise,
reach down deep inside.

I give up the day I die
at least this pains mine!

We all die!
You and I!
Live a life
or live a lie!

No retreat, no giving in,
no spiritual surrender.

Face the facts. You're life is pain,
you're lost inside your mind.

We all die!
You and I!
Live a life
or live a lie!

So now you know,
life's lesson has taught me well
I have no hopes.

Worn down,
broken and beat by society's lies.
New pride,
found in the struggle of your survival.

We all die!
You and I!
Live a life
or live a lie!

So now you know,
life's lesson has taught me well
I have no hopes.

Facing yourself.

Realize that you're nothing.
Through the eyes of despair,
a new fire rises.

Life lived uncompered,
you set your own standards.
In one final statement;
Do what thou wilt...!

So now you know,
life's lesson has taught me well
I have no hope...

Demonseed,
rise in me! [x2]
