Traces-  
All the shadows of what was  
We crawled through defeat  
Until it consumes you  
until we were empty  
and nothing but hatred remains

Your holiness displayed  
Ashen and hollow

To rear you apart  
Piece by piece  
Unfolding

Losing all

Through you  
it flows in abundance  
You will carry this treachery  
'til it breaks you  
Until you could see it clearly  
we live like ghosts

Your holiness displayed  
Ashen and hollow

To rear you apart  
Piece by piece  
Unfolding

Lesser than god  
Snake  
Goat  
Harlot

To rear you apart  
Piece by piece  
Unfolding

You say this is the path less travelled  
Well, how come there's no room to breath?
