The Headpins
"Don't Ya Ever Leave Me"

I can't decide what to do
I turn in your direction
I always listen to you
I'm needin' your protection

When things are draggin' me down
I recreate the situation
Always end up turnin' 'round
And delay the action

If I can't find what I'm looking for
I was in it for you
If I can't find what I'm looking for
I was in it for you

Don't ya ever leave me
Don't ya ever leave me alone
Don't ya ever leave me
Don't ya ever leave me alone

I'll never find it out on my own
It takes a fool to find the answer
But I will bring you through to the blinds
It's hardly worth the aggravation

When things are draggin' me down
I recreate the situation
Always end up turnin' 'round
And delay the action

If I can't find what I'm looking for
I was in it for you

Don't ya ever leave me
Don't ya ever leave me alone
Whoa, oh, don't ya leave me
Leave me alone

Oh please, just give me your hand
I don't want your money
No, don't walk away
Don't leave me here, not like this

Baby, I'll do anything
I'll get down on my knees for ya
Look what you're doin' to me
Oh, darlin', don't ya leave me

I can't decide what to do
I turn in your direction
I always listen to you
I'm needin' your protection

When things are draggin' me down
I recreate the situation
Always end up turnin' 'round
And delay the action

If I can't find what I'm looking for
I was in it for you
If I can't find what I'm looking for
I was in it for you

Don't ya ever leave me
Don't ya ever leave me alone
Don't ya ever leave me
Don't ya ever leave me alone

Don't ya ever leave me
Don't ya ever leave me alone
Don't ya ever leave me
Don't ya ever leave me alone

No, don't ya leave me, leave me alone
Oh, no, don't ya leave me, leave me alone
Whoa, oh, don't ya leave me, leave me alone
No, no, no, no, oh, don't ya leave me, leave me alone
