Ar Eirinn NÁ Neosfainn CĂ© hĂ©  
Areir 's me 'g tearnnamh ar neoin  
Ar a' dtaobh eile 'en teora seo thios  
Do thaobhnaigh an speirbhean im chomhair  
Dfhaig taomanac, breote, lag tinn  
Le haon ghean da mein is da clo  
Da breithre 's da beol tanai binn  
Do leimeas fe dhein dul 'na treo  
Is ar Eireann ni neosainn ce hi.

Oh Last night in strange fields as I roamed  
Such a vision I passed on my way  
A young woman so fair to behold  
That in seconds my heart was astray  
Oh she reached out a welcoming hand  
But I knew that it never  
And before I could kiss her sweet  
She had vanished forever from me.

Le haon ghean da mein is da clo  
Da breithre 's da beol tanai binn  
Do leimeas fe dhein dul 'na treo  
Is ar Eireann ni neosainn ce hi.
