I've got a big mouth
A very big mouth
With a lot of room
For different things

Once i had a whole nice day
A whole nice day
Once i had a whole nice day
Coming out of it

And with that day
Came a lot of friends
A lot of friends
Walked down my tongue

Playing my teeth like a drum
Giving out sound
Of happiness

Hey, i've got a big mouth
(I've got a big mouth)
A very big mouth
(A very very big mouth)
With a lot of room
(A lot of room)
For different things
(For different things)

Once i had a whole big boat
(A big boat)
A whole big boat
(Very very big boat)
Once i had a whole big boat
Coming out of it
Sailing on my spit as I spoke
Telling a joke about this girl
Who sailed away with a lot of friends
On a nice day

It was such a nice day
Oh what a lovely day
Hey, how do you do

How do you do
How do you do it ?

I've got a big mouth
A very big mouth
I've got a big mouth
A very big mouth

I've got a big mouth
(I've got a big mouth)
A very big mouth
(A very very big mouth)
I've got a big mouth
(I've got a big mouth)
A very big mouth
(A very very big mouth)

Giving out sound
Of happiness
