

## Anja Garbarek "Something written"

Visit "[Something written](#)" on MotoLyrics.com

There was something  
Written down  
Somewhere.  
I don't quite remember where.  
But,  
That's not so important  
Now is it?

There was something  
Written down  
Somewhere.  
I don't remember who  
Wrote it,  
Nor the year.  
And I cannot recall  
Word  
By  
Word  
What it was.  
But,  
It brought a feeling of  $\tilde{A}f\hat{A}\hat{c}\hat{a}, -\tilde{A}, \hat{A}!$   
It's difficult  
To explain.  
But,  
I sort of had the  
Urge to,  
Well,  
Write it down.

And perhaps  
Even memorize it,  
So that  
I could  
Impress you  $\tilde{A}f\hat{A}\hat{c}\hat{a}, -\tilde{A}, \hat{A}!$

There was something  
Written down  
Somewhere.  
I don't quite remember where.  
But,  
That's not so important  
Now is it?

As long as there was something written

Down!
