Pockets of hate  
Rockets of love  
It's never too late  
For change in the color of  
The color of her  
The color of him  
It really does matter  
What skin you're in  
Big yellow taxi cab passed me by  
Stop on the next corner to pick up a white guy  
The color of you  
The color of me  
You can't judge a man  
By lookin' at the marquee  
Hail hail rock 'n' roll  
Comes from R & B and soul  
Don't leave me standing in the cold  
Used to think I'd never grow old  
Hail hail rock 'n' roll  
Don't leave me standing on the beat  
Leave me stranded on the street  
I see the light, I feel the heat  
Blame it on you  
Blame it on me  
Now let's erase the wound  
That's in our history  
Pain in my heart  
Won't let me be  
Take it from me  
But don't you take away my liberty  
Father of coal, mother of pearl  
Never too black to blush to pick up a white girl  
The color of you  
The color of me  
You can't judge a man  
By lookin' at the marquee  
Hail hail rock 'n' roll  
Comes from R & B and soul  
Don't leave me standing in the cold  
Used to think I'd never grow old  
Hail hail rock 'n' roll

Don't leave me standing on the beat  
Leave me stranded on the street  
I see the light, I feel the heat  
Little Richard  
Chuck Berry  
Bo Diddley  
Fats Domino  
Here come Elvis  
Gene Vincent  
Buddy Holly  
and Jerry Lee  
Hail hail rock 'n' roll  
Comes from R & B and soul  
Don't leave me standing in the cold  
Used to think I'd never grow old  
Hail hail rock 'n' roll  
Don't leave me standing on the beat  
Leave me stranded on the street  
I see the light, I feel the heat
