When I first met  
My dream girl  
She was drinking coffee and talkin' about the world.  
I looked in her eyes  
She looked in mine  
And I knew right away that we were gonna have a good  
time.

I asked her out  
On a date  
I said please don't say no, no can wait.  
She said yes  
But just one thing.  
I don't have a lot of money but I know how to swing.

She was good enough for me.  
That's all she had to be.  
I don't need no moviestar to make me happy.  
She was good enough for me.  
That's all she had to be.  
I don't need no moviestar to make me happy.

Took her to the show.  
Didn't watch it though.  
But I still enjoyed myself, don't ya know.  
I said I think you're beautiful.  
She said that's what I've been told.  
You might think I'm beautiful.  
But I'm really old.

She was good enough for me.  
That's all she had to be.  
I don't need no movie star to make me happy.  
She was good enough for me.  
That's all she had to be.  
I don't need no moviestar to make me happy.

When I first met  
My dream girl.  
I was drinking coffee and talkin' about the world.  
I never thought.

She'd be mine.  
Now we're together all the time.

She was good enough for me.  
That's all she had to be.  
I don't need no moviestar to make me happy.  
She was good enough for me.  
That's all she had to be.  
I don't need no moviestar to make me happy.
