Sixty Years

Looking forward and down the road
Knowing you're by my side
Nothing can break me, you'll always save me
Knowing that maybe you've sacrificed

Best foot forward , no turning back
Angels don't always have wings
Just to know you, see, hear and hold you
I'll remember these precious things

SIXTY YEARS WILL NEVER DO
I NEED MORE LIFETIMES TO SPEND WITH YOU
WHEN OUR LIVES ARE ALMOST THROUGH
SIXTY YEARS WILL FEEL LIKE TWO

Old people, with laughing eyes
One day, I have no doubt
We'll be a mystery, sharing a history
That's what real love is all about

(Repeat Chorus)
