Good Time

I've learned it's so much easier  
To roll over and take it  
Like a woman  
To pretend it's fun and games  
Do my best to have a good time

I've seen it's so much better  
To pretend I really want it  
Like I need it  
And act like it's the best thing  
To lay there and have a good time

So there I am- lying in wait

No I didn't ask it, and neither did you  
So where'd you put your hands  
When I kept inchin' away?  
You didn't think I'd mind  
And even though I do  
I'll just give in, pretend I want it  
Life is  
Easier  
Without a fight

I've never really had a good time  
Always acted like a bad girl  
Like I'm naughty  
So it makes it easy  
To act like I'm layin' there havin' a good time

When I pushed and pulled at the same time  
And you knew I didn't like it  
Like you cared  
So I just stayed there since  
It's so much easier to have a good time.

So there I am- frightened of you

No I didn't ask it and neither did you

So where'd you put your hands  
When I kept inchin' away?  
You didn't think I'd mind  
And even though I do  
I'll just give in, pretend I want it  
Life is  
Easier  
Without a fight

Did I act like you were welcome?  
I'll give a  
Scream  
To make you happy  
Like you need it  
You've had your fun now  
Just roll over  
You've had your good time

Just roll over  
You've had your  
Good Time.
