"Imagine A World"

A toy sword in your hand
You're king of all your lands
Your eyes are twinkling
So wild at heart
A bath towel for your cape
Blue pants over your trousers
Don't fly too far
Not too far away, I got you, got you

A quick hug at the door
Running wild for your score
There's nothing you must fear
As long as I'm near
I can't imagine a world without you, without you

Forgotten homework on your chair
Strange traces in your lair
There's something you might fear
You don't know yet my dear
I can't imagine a world, I miss you, I miss you, I miss
you

I can't imagine a world, I miss you, I miss you
