Well Lina she's a punk rock girl
She got safety pins, the works
She's the last to leave and the first to fight
Sure knows how to spend a great night

Did I love her then, do I love her now
Was it just the way that she showed me how
One thing for sure in this mixed up world
I can't resist a rock'n'roll girl

Oh I know Fran's got heart and soul
Cause she loves the Old Crow Medicine Show
Rockabilly Bettie bangs well strong dope
Sweet sweet loving and a glimmer of hope

Did I love her then, do I love her now
Was it just the way that she showed me how
There ain't many truths in this mixed up world
I can't resist a rock'n'roll girl

Maddie's all of 21 years
She got tattoos coming out her ears
B-movie bad girl vintage sleaze
Burlesque bump and grind and tease

Did I love her then, do I love her now
Was it just the way that she showed me how
There ain't many truths in this mixed up world
I'm still a sucker for a rock'n'roll girl

Well, I can't resist a rock'n'roll girl
I can't resist a rock'n'roll girl
Well, I can't resist a rock'n'roll girl
